

A Leadership Ministry of
Christian Endeavor - Mid Atlantic

Graduation Requirements

Students may choose between two levels of involvement while enrolled in the **Imagine the Impact** leadership institute. Students may graduate by choosing the Standard or the Advanced Track. Earning a certificate from **Imagine the Impact** requires the following:

Standard Track

- Attend all three residential experiences (weekends in October, January, May)
- Meet twice a month with a mentor during the **Imagine the Impact** leadership institute to discuss the student's personal growth plan and personal project.
- Connect with the participants peer group via the web site blog twice a month and once in person between the Residential Gathering #1 and #2, and once between Residential Gathering #2 and #3.
- Develop a personal project that will begin no later than January 15 and will run for approximately five months. Projects may begin as soon as the steps on the Dream Launch program are completed (except evaluation which happens at the project conclusion) and the student has had final consultation with the student's mentor.
- Students appear before church every 4-6 weeks and participate in some way in consultation with the local church pastor.
- Develop and present both a display board and an oral presentation explaining the personal project.

Advanced Track

- Includes everything listed under the Standard Track in addition to the items listed below.
- Students follow the provided devotional material throughout the year.
- Students engage in at least one "media micro-lab" in their home every month.
- Growth plan should include the following: interviewing 4 leaders in potential growth areas, reading at least one book per semester in line with the growth plan, and investing a quarterly block of time (two hours) in web research on a growth area represented in the personal growth plan.
